# LIFE PROGRAMME 2021-2027

Novelties

# The future is green. The future is LIFE

Discover the EU's new LIFE programme  
for the environment and climate action

**5 500+**  
**LIFE projects**  
since 1992

**1 100**  
**projects**  
in action

**€5.4 billion**  
in funding  
for 2021 - 2027

# LIFE programme has expanded into...

- Circular Economy and Quality of Life
- Nature and Biodiversity
- Climate Change Mitigation and Adaptation
- **Clean Energy Transition**

# LIFE programme

## Nature and Biodiversity

- **Nature conservation** projects, in particular Biodiversity, Habitats and Species
- Projects that contribute to **EU Birds and Habitats directives**, development and management of the Natura 2000 network and IAS Regulation
- Support achieving the objectives of the **EU's biodiversity strategy for 2030**

# LIFE programme

## Circular economy & quality of life

- Transition to a **sustainable circular, toxic-free, energy-efficient and climate-resilient economy**
- Protecting, restoring and improving the quality of the **environment**
- In **circular economy**, including waste, water, air, noise, soil and chemical management; and governance
- Solutions that are ready to be implemented (**close-to-market**)

# LIFE programme

## CCM and CCA

- **Climate change mitigation:** Reduction of greenhouse gas emissions
- **Climate change adaptation:** Increase resilience to climate change
- **Climate governance and information:** Supporting the European Climate Pact and many other activities, including stakeholder participation in climate change mitigation and adaptation areas.

# LIFE programme

## Clean energy transition

- Support EU policies in the field of **sustainable energy**
- Budget of nearly **EUR 1 billion** (2021-2027)
- Transition towards an **energy-efficient, renewable energy-based, climate-neutral and resilient** economy
- Engage **small and medium-sized stakeholders**
- **5 areas of intervention**

# LIFE programme welcomes projects that...

- Protect Europe's **nature**
- Accelerate the **clean energy transition**
- Cut GHG **emissions**, increase CC **resilience** and boost awareness of **CCM**.
- Enhance the **circular economy**
- Protect, restore and improve the **environment**

# LIFE 2021

How to apply

# LIFE programme

## Who can apply and how?

- **Who can apply?** public authorities, private commercial organisations and/or private non-commercial organisations (NGOs etc.), registered in the EU and associated countries.
- **How to apply?** Go to the European Commission's [funding & tender opportunities portal](#)
