## About us

4Puntozero is a professionals team specializing in the design and development of web projects, with a long experience in the field of communication and technical publishing.

## The web site

www.cleaningcommunity.net is the site dedicated to the world of professional cleaning, where companies, dealers and experts of the sector can find news and updates. Cleaning Community informs on everything related to the cleaning world with Newsletters and Magazine, in Italy and abroad.

The site is also a reference point for anyone in search of answers regarding the cleaning and sanitization of various areas and surface treatments. Facts and figures, current events and curiosities are all provided in real time to those who consider the professional cleaning world dynamically.

## Newsletters

Each month newsletters inform and update the national and International cleaning market: 12 editions in Italian and 12 in English, with the latest industry news and areas dedicated to the proposals of the companies (catalogues, videos...).

## Cleaning Community Magazines

SPOT, in Italian and English, and REPORT (in Italian) are dedicated to the presentation of products, everything the companies have developed to meet the needs of more and more individual and complex market. They are focused for specific targets of users in Italy and abroad. Focus on the industrial production: single disc machines, scrubber driers, sweepers, vacuum cleaners, chemicals, pressure washers, equipment.

Focus on different topics: Health, Ho.Re. Ca., Dealers, Service Companies.
